This video explains some of the different types of bullying as well as the importance of working as a team to help each other. The students featured are part of the basic education programme at Maria Enriquez High School in Gandia. This video not only highlights the importance of awareness about bullying but also provides practical strategies to combat it in our communities. Don't miss this powerful tool for change!

Raise your voice - Rap song

This song has been created by students through AI, and recorded and performed by Nico Bay and xxxx in the recording studio as a video clip.

Título: "Alza la Voz"

(Verso 1)
Hey, caminando por el pasillo, veo esas miradas,
Pensando que son invisibles, con sus bromas pesadas.
Pero aquí estoy, micrófono en mano, cambiando la jugada,
Rimando contra el bullying, esta batalla está ganada.

(Estribillo)
Alza la voz, no estás solo en este juego,
Rompe el silencio, sé el héroe, no el cero.
Con cada palabra, con cada verso,
Decimos no al bullying, con este rap perverso.

(Verso 2)
Sé que duele, esos apodos y esas burlas,
Pero aquí estoy, transformando penas en culturas.
Levantando a los caídos, dando fuerzas a las dudas,
Este rap es para ti, que brillas como ninguna.

(Estribillo)
Alza la voz, que tu eco rompa barreras,
Con ritmo y rimas, somos guerreros, no prisioneros.
Deja que tu historia sea la luz que destella,
En este mundo rap, donde el amor es la estrella.

(Puente)
No importa si eres alto, bajo, delgado o lo que sea,
En esta pista somos iguales, rimando sin pelea.
Es hora de cambiar el juego, de dar una nueva idea,
Con amor, respeto y rap, cada palabra vuela.

(Estribillo)
Alza la voz, que se escuche en cada esquina,
Baila al ritmo del respeto, que la alegría se avecina.
Somos más que palabras, somos la rima que domina,
En este rap contra el bullying, cada verso ilumina.

Estilo Musical Sugerido: Un ritmo de rap dinámico y pegajoso sería ideal para esta canción. Podrías incluir un beat con influencias de hip-hop moderno y tal vez algunos elementos electrónicos para darle un toque fresco. La entrega de las letras debería ser enérgica y confiada, con un enfoque en la positividad y el empoderamiento.

Título: "Raise Your Voice"

(Verse 1)
Walking down the hall, I see those stares,
Thinking they're unseen with those jokes they dare.
But here I am, mic in hand, changing up the affair,
Rhyming against bullying, in this battle, I care.

(Chorus)
Raise your voice, you're not alone in this scene,
Break the silence, be the hero, not unseen.
With every word, with every verse,
We say no to bullying, in this rap universe.

(Verse 2)
I know it hurts, those names and mocks,
But here I stand, turning pains into talks.
Lifting the fallen, empowering the doubts,
This rap's for you, shining bright, no bouts.

(Chorus)
Raise your voice, let it break the barriers high,
With rhythm and rhymes, we're warriors, not shy.
Let your story be the light that gleams,
In this world of rap, where love beams.

(Bridge)
No matter if you're tall, short, thin, or whatever,
On this track, we're equal, fighting together.
Time to change the game, bring a new endeavor,
With love, respect, and rap, our words feather.

(Chorus)
Raise your voice, let it echo every corner,
Dance to the beat of respect, happiness is in order.

We're more than words, we're the rhyme that's bolder,
In this rap against bullying, every verse is a holder.

ABASTOS - Video Script

Students from Abastos High School have developed a theater script based on the idea of an American video to develop the campaign. The message of the video is that more attention should be paid to what happens in the classrooms and corridors of schools in order to detect classmates who are being bullied. The video was entirely created, written, directed and performed by the students. The images that appear on the mobiles have been designed by them with AI.

All the images in this video have been created with artificial intelligence in computer science classes. The dialogues and voices have been thought up and interpreted by the students. This video is about a student who suffers bullying and decides to leave the school without telling anything. After days of searching, finally the police find him and the aggressor student is expelled from school and does not bully this child any more
